

Get Your

CRAFT on at

National Craft Month

Yes, March is National Craft Month, so come on over to the clubhouse where we will be playing with tissue paper and glass votive candle holders. All supplies will be provided by Jane Jenerette who will demo. You can join us for talk and munchies and just watch, or come prepared to make your own decorative candle holder. (If you have a favorite cocktail napkin and/or glass, bring it with you or just use ours.)
