

Pacific Beach

Woman's Club

VOLUNTEER OF THE QUARTER

Fall Quarter - September, October, November, 2018

This certificate of appreciation is awarded to

Geri Larkin

for being a well deserving, long term member of the Pacific Beach Woman's Club and for all her volunteer work with the club over the years. Geri can be found faithfully preparing the meal for StandUp For Kids each month through cold and warm weather. She gathers up all the donated items for pick up and is consistently putting together the wonderful donations from our members to nourish these young people. Geri is also an avid volunteer at the Pacific Beach Library as well as always assisting at our club fundraisers by selling and collecting tickets for various sales. We really appreciate your hard work and dedication.
