*Lynda Tickey*

For being a member for over six years and in that time donating so much of your time, resources, and expertise. You have brought a great business awareness to the club and have helped us to “up our game.” Yes, we’ve got GAME! Your past work with the community and support of so many Pacific Beach events and programs is well known. Your willingness to donate to all the events, help with all the events, and cheer us on as a group is outstanding. We miss you now as you travel but welcome you back each time with open arms. Enjoy the time in Florida with family and friends.
